Project Bulletin

HOLY SPIRIT

Classroom

Project

Design and build a 1,792 sq. ft. semi-permanent classroom addition.

Project Details

The building site was located in Battleground, Washington. This structure needed to blend in with their new church (adjacent to the new classroom).

Time to Complete

The project was approved June 3rd, 2000 and was delivered August 28th. The building was completed on September 27th.

Special Features

This particular structure had a sprinkler system, painted sheetrock interior walls, painted interior doors and window trims. Holy Spirit was installed at "ground-level" on a concrete foundation.
